ABOUT THINKING OUTSIDE THE SANDBOX

Running a successful blog is not easy! We started Thinking Outside The Sandbox from the desire to help other small business owners. At the time we ran successful niche microbusinesses from our homes. There was a lack of information about how a moms (like we are) could juggle being a small business owner/wife/mother/cleaner and all of the other duties we were performing in our households. Since we started in 2012 we have changed to focus on helping women start their own successful blogs by teaching them the business side of blogging. There is no reason that you need to be alone in this endeavour! Together, we can all succeed.

Catherine Cluchey and Katrina M Thom are the owners of [TOTS Network](#) which include [Thinking Outside The Sandbox](#) and [Thinking Outside The Sandbox: Family](#).
